To: ALCON

From: Commanding Officer, LT Ashleigh Covey, USNR

Subject: USNSCC Falcon Division Cost Sheet

Below is the USNSCC Falcon Division Costs Sheet. USNSCC National Headquarters (NHQ) Fees are subject to change, but we give notice **as soon as possible** if this amount changes.

New Cadet Enrollment Fees:

\$90 NHQ Fee
\$260 Uniforms

Re-enrollment Cadet Fees:

\$90 NHQ Fee
\$35 USNSCC Falcon Division Unit Funds

Total New Cadet Enrollment Fees: \$350

Total Re-enrollment Cadet Fees: \$125

Explanation of Costs:

NHQ Fee: Covers NHQ Admin Fees and enrollment in USNSCC's Excess Health Insurance. This insurance is only open to USNSCC personnel. Coverage is only valid during scheduled, sponsored, and approved NSCC/NLCC events, and while travelling uninterrupted to and from such events. This insurance is considered secondary, except when an individual has no health insurance, this insurance becomes their primary insurance. Pre-existing conditions are not covered under this policy. NHQ Fees are non-refundable and non-transferrable.

Uniforms: A one-time fee. Uniforms are exchangeable at any time for larger or smaller sizes if needed. U.S. Navy Uniforms are purchased through USNSCC Supply located at RTC Great Lakes at a discount. Buying these Uniforms on your own would cost thousands. This fee does not include personal items needed to complete a "sea bag" (items like socks, t-shirts, and underwear).

USNSCC Falcon Division Unit Funds: Includes cost to purchase paper, ink, and Cadet Awards.

Summer/Winter Trainings: About \$150 for a 1-week Training, \$200 for a 10-day Training, and \$300 for a 14-day Training. Training length varies. Recruit Training is 14-days. Training cost includes instruction, and room and board. Transport to and from the Training location is not included.

Three for Free Program: Recruit 3 Cadets into USNSCC and get 1 Free Summer/Winter Training! Three for Free Credits do not expire. There is no limit on how many Free Trainings can be earned this way (i.e. Recruit 6 Cadets, get 2 Free Summer/Winter Trainings, and so on).

Enrollment Fees Payment Options: Cash, Check, or Money Order made out to "U.S. Naval Sea Cadet Corps"

Scholarships to pay enrollment fees are available on request!
